

American Society of Clinical Oncology News and Forum

Date: 19/02/2008

ecancermedalscience received coverage in January 2008's ASCO News and Forum magazine.

The report from the European Cancer Conference in September 2007 (ECCO 14) by John Smyth, Jose Baselga and Alexander Eggermont gave a round up of conference activities and encouraged readers to visit 'cutting edge publication ecancermedalscience.com'.
